

USEC Sponsors A Scholar!

Last Updated Friday, 19 February 2010

Special thanks to USEC Inc . for their generous donation as part of Beyond Talent's Sponsor a Scholar program! This donation makes it possible for our students to improve their acadmic and life skills for college in College Compass, BT's college access and success program. USEC Inc. is a leading supplier of enriched uranium fuel for commercial nuclear power plants. USEC operates the only uranium enrichment facility in the United States and supploes more than half of the U.S. market and more than a quart of the world market. For more information about Sponsor a Scholar, please visit our Give page.
